Re: Notice of Violation MN201360-03, Staker & Parson Companies, Keigley Quarry, M0490001, Utah County, Utah

Dear Mr. Dalley:

The Division of Oil, Gas and Mining issued Staker Parsons Companies a Notice of Violation (NOV) for the Keigley Quarry for the mine plan being out of compliance with R647-4-102. Please note the abatement time on the notice has been modified from March 31, 2013, to March 4, 2014. According to rule R647-6-102.2.13, 90 calendar days is the maximum abatement time allowed unless it is demonstrated that abatement is not feasible.

Please return a signed copy of the NOV. A signed copy acknowledges that the document has been received. If you have any questions concerning this letter, please contact me at 801-538-5261 or April Abate at 801-538-5214.

Sincerely,

Paul Baker
Minerals Program Manager
